**DETAILED ACTION**

***Reissue Applications***

1. The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
2. Claims 1-19 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion below in this Office action.

The reissue oath/declaration filed with this application is defective because it fails to specify the error of structure (II) shown at column 3, line 5 and in claim 4, which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

3. The amendment filed October 17, 2002 proposes amendments to the claims that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

Pursuant to 37 CFR 1.173 (c), each amendment submission must set forth the status of all patent claims as of the date of the amendment.
